App Reviews Recommended 4 by Bob ena I like it. awesome Amazing 5 by dtj2018 Once you download this software, you will love it and have no problems with it. It makes downloading torrents so easy. HUGE! 5 by JK13 Very light on the resources and just as good as the paid version. WHY THE 1st TAKE DOWN AGAIN (SILENT) 2 by aeslakae Guys, I think what happened to me is not a bug, but the way you guys are doing. The original owner of this app gave the permission to me to download the torrents from the web, but you are not using the web at all. I've searched the internet for this app and the only place where I found it was this website. You guys are trying to outsmart me. This is not the first time you do that. You act the same way when I used a proxy server, another service to download files. Also, you are trying to
